

4th February 2022

Newsletter No. 10

Dear Parents and Carers,

It has been a difficult week for the school because of rising Covid absences in both the pupil and staff bodies of the school. I am enormously grateful to my colleagues who have had to cover for absent staff and to our pupils who have been sensible and well-behaved in lessons. I hope we can get to the half-term break in one piece and then regroup.

On a more positive note, I am delighted to announce that four of our Year 13 students have received conditional offers from either Oxford or Cambridge. This is a wonderful achievement for these students in what is an intensely competitive field. Many congratulations to them and my thanks to Ms Hern and the Sixth Form Team and teachers who have prepared these students for challenging and demanding interviews. The students are:

Lenny Gibson	Physics, Oxford
Tom Homewood	Land Economy, Cambridge
Tom Rose	Natural Sciences, Cambridge
Fran Ward	Human Social and Political Sciences, Cambridge

Four pupils are sitting their Arkwright Scholarship exam this week. They are in Year 11 and we wish the following the best of luck:

Ethan Bridgland
Fabian Crowe
Aroon Donnelly
Benjamin Hanusch

Many congratulations to Oliver East in Year 7 who is the winner of the Kent Schools U13 Table Tennis Consolation Cup. Although knocked out in the main draw, Oliver then won 7 consecutive matches to win the competition including a very exciting final.

Also, many congratulations to Freddie Gibson who is the Year 7 Kent Schools Cross Country Champion. He had already qualified for the Kent Finals in the Maidstone District competition at Mote Park, Freddie then competed at the Hop Farm, Paddock Wood to beat finalists from all other Kent Districts to become champion. A hugely impressive achievement.

It is wonderful to learn of these individual achievements and this newsletter also contains a list of the most recent commendations for outstanding work. Well done to everyone.

I am delighted to inform you that all the windows have now been installed in our main teaching block. This has given the school a much needed "face lift" and I am grateful to Mrs Lewell and Mr Rice who co-ordinated the project.

As outlined by Ms Bevan in her letter to parents, we are very much looking forward to Children's Mental Health week which begins on 7th February. Thanks go to Ms Worrall, Miss Ryan and the

student focus group who devised the programme. All money raised through the cake sale on Thursday 10th and the non-school uniform day on Friday 11th will be donated to the charity Mind.

As you will be aware the school's Covid risk assessment requires rooms to be well ventilated and as a result, on colder days, students have been permitted to wear their coats in classrooms. However, as we move into Term 4 and the Spring months, students will not be permitted to wear coats in lessons unless directed to by a member of staff. Can I also remind parents that students should only be wearing coats to school which are dark in colour. Hoodies, including zip up hoodies, are not permitted and are not substitutes for an outdoor coat.

The canteen staff have seen an increase in the number of students presenting at break and lunch with insufficient funds to pay for their food and so we respectfully ask that parents and carers regularly review their pre-pay accounts to ensure all students have adequate funds to cover their purchases. We do encourage our families to please contact the school if experiencing any financial hardship. We are able to discreetly and sensitively look at ways in which we can support our families. Please contact the relevant member of staff if you would like to discuss this further.

Mrs A Lewell:	Year 7	ALewell@opgs.org
Mrs S Craig:	Year 8 and Year 9	SCraig@opgs.org
Ms J Bevan:	Year 10 and 11	JBevan@opgs.org
Ms A Hern:	Year 12 and Year 13:	Ahern@opgs.org .

Thank you to the parents who have contacted us regarding the Year 9 Options process. This is such an important part in the educational journey of our students so please be assured that we have a detailed plan in place to support Year 9 students in making informed choices. We are conscious of infection rates in the local area and therefore have built a virtual options programme. Mrs Craig, Deputy Head Teacher and Mrs Stamp, Director of Study for Year 9 will be overseeing this process and will write to Year 9 families after the February half term with more information.

As part of our Information, Advice and Guidance programme, Year 9 students are exploring careers and pathways in all their Extended Learning lessons this term. Students have been given an account on Unifrog, an online careers platform, which brings into one place every undergraduate university course, apprenticeship, and college course in the UK. It is also an excellent resource for helping students consider career plans before they select their GCSE choices. Parents may wish to use the platform with their child at home, when supporting them through the process of deciding their next steps.

A further thank you to the parents and carers who completed our short social media survey. From this we have been able to determine the best ways of communicating and sharing information with the families of the students. Of course, newsletters such as this and @Oakwood remain the best way to share details of the exciting things taking place across the school and upcoming events, but we will also be aiming to share more of our good news stories and important information through our new official Facebook and Instagram accounts.

You can follow our accounts using the following handles:

Twitter & Instagram: @OPGSchool

Facebook: fb.com/OPGSOfficial

I am incredibly proud of the work that Oakwood Park Grammar School staff have done throughout the pandemic and continue to appreciate the positive emails we receive from parents and carers thanking staff for their work. With this in mind, I would like to highlight that entries are now open for the [Pearson National Teaching Awards](#) for 2022. The awards are an annual celebration of excellence in education, recognising the amazing work of teachers. This year sees

the introduction of The 'Unsung Hero' Award, which is the only award also open to entries from parents, which recognises any member of school staff, including those in supporting roles. If you would like to nominate a member of the OPGS community, please visit: www.teachingawards.com/2022awards/.

Can I wish you all a pleasant half term break from the end of next week.

Yours sincerely,

K.W. Moody
Headteacher

Diary Dates

Mon 7 th February	Mental Health week – form activities.
Tue 8 th February	Year 12 Faculty activity 1.50-2.25pm – form rooms Computing challenge - Year 7 & 8 Room 43; Year 9 upwards Room 44 - 3.30-4.30pm (FBR)
Wed 9 th February	Year 13 virtual Parents' Evening 4-7pm. 1st XV Rugby v Buckswood - Home 2.30pm K.O (MHD)
Thu 10 th February	Cake Sale (proceeds to 6 th Form Charity – MIND) Year 12 Faculty activity 1.50-2.25pm – Form rooms Yr 7 Rugby A and B Teams- Aylesford RFC 2.30pm (RMR,MKJ)
Fri 11 th February	Non-uniform day (proceeds to 6 th Form Charity – MIND) Year 7 ESFA cup v Steyning Grammar School (RDE) TBC

14th – 18th February Half Term

Mon 21 st February	Return to school Year 11 Mini PPEs in class (to 4 th March)
Wed 23 rd February	Year 11 Walking Talking PPE – History (AAA, KAR, JBV, SCR) Hall + rooms 44, 46 & 47 for students not studying History.
Thu 24 th February	Year 11 Assembly - Hall 2pm Year 12 Faculty activity - LRC 1.50-2.25pm
Fri 25 th February	Year 11 IAG - LRC 2pm Year 13 briefing - Hall 1.50pm

Headteachers Commendations

These students have been nominated by Subject Leaders for their continued commitment and outstanding quality of work within the subject.

Subject	Name of student	Year Group	Why the nomination?
Art and Design	Thomas Campbell	Year 7	Excellent Still life work
Art and Design	Noah Cruickshank	Year 7	Excellent Still life work
Art and Design	Ruben Davies	Year 8	Excellent Pointilism Work
Art and Design	Maximilian Patton	Year 8	Excellent Pointilism Work
Art and Design	Nathan Peake	Year 9	Excellent final Design
Art and Design	Ewan Tweddell	Year 9	Excellent final Design
Art and Design	Harry Whitehouse	Year 10	Innovative and creative ideas taking his Art project forward.
Art and Design	Lennon Cox	Year 11	Excellent coursework development
Art and Design	Joe Scullion	Year 11	Excellent coursework development
Art and Design	Eleanor Reeve	Year 12	Excellent Exploration and experimentation on new project
Art and Design	Madeleine Fossett	Year 13	Excellent Major Project
Art and Design	Adam Williamson	Year 13	Good improvement and development of project
Graphics	Dominic Teodorescu	Year 9	Excellent Comic Book Illustration
Graphics	Josiah Edada	Year 9	Excellent Comic Book Illustration
Graphics	Adam King	Year 10	Good development of ideas.
Graphics	Douglas Myers	Year 10	For sustained excellent effort and progress with his Graphics work
Graphics	Hudson Idle	Year 11	High quality digital development of logo designs.
Graphics	Morgan Estaugh	Year 12	Good exploration of ideas
Graphics	Evelyn Westhrop	Year 13	Excellent work on project 2
Graphics	Scarlett Tjaden-Thompson	Year 13	Excellent work on project 2
Biology	Jacob Hammick	Year 8	Outstanding work in class and achievement in recent assessment
Biology	Daniel Cassie	Year 9	Outstanding achievement in recent assessment
Biology	Marcus Choi	Year 9	Outstanding achievement in recent assessment
Biology	Harry Cornwell	Year 9	Outstanding achievement in recent assessment

Headteachers Commendations

These students have been nominated by Subject Leaders for their continued commitment and outstanding quality of work within the subject.

Subject	Name of student	Year Group	Why the nomination?
Biology	Issac Matthew	Year 9	Outstanding achievement in recent assessment
Biology	Lewis Best	Year 9	Outstanding achievement in recent assessment
Biology	Lukas Hanusch	Year 9	Outstanding achievement in recent assessment
Biology	Ryan Murphy	Year 9	Excellent class work and effort in lessons
Biology	Ewan Tweddle	Year 9	Excellent class work and effort in lessons
Biology	Nathan Peake	Year 9	Outstanding achievement in recent assessment
Biology	Arthur Mac	Year 9	Continued hard work in lessons and excellent assessment result
Biology	Dominic Teodorescu	Year 9	Outstanding achievement in recent assessment
Biology	Josiah Edada	Year 9	Excellent class work and effort in lessons
Biology	Stuart Kennedy	Year 9	Excellent class work and effort in lessons
Biology	Ifan Banbury	Year 9	Outstanding achievement in recent assessment
Biology	Johann Ajish	Year 10	Outstanding achievement in recent assessment
Biology	Rebik Shrestha	Year 10	Excellent class work and effort in lessons
Biology	Tayla Carruthers	Year 10	Excellent class work and effort in lessons
Biology	Jack Carlyle	Year 10	Outstanding achievement in recent assessment
