## Introduction

Oakwood Park Grammar School is committed to ensuring that candidates are fully briefed on the examination and assessment processes in place in the centre and are made aware of the required JCQ/awarding body instructions and Information for Candidates.

## Purpose of this handbook

- To support/complement candidate briefings/assemblies
- To inform candidates about malpractice in examinations/assessments
- To inform candidates about the use of their personal data and copyright
- To ensure candidates are provided with all relevant information about their exams and assessments in advance of any exams/assessments being taken
- To ensure copies of relevant JCQ information for candidates documents and exam room posters are available in advance of any exams/assessments being taken
- To answer questions candidates may have
- To inform candidates of exams-related policies/procedures that they need to be made aware of

## Malpractice

- To maintain the integrity of qualifications, strict regulations are in place.
- Malpractice means any act or practice which is in breach of the regulations.
- Any alleged, suspected or actual incidents of malpractice will be investigated and reported to the relevant awarding body/bodies
- JCQ provides information regarding what constitutes malpractice:
  - Introduction of unauthorised material into the examination room
  - Breaches of examination conditions
  - Exchanging, obtaining, receiving, or passing on information which could be examination related (or the attempt to)
  - Offences relating to the content of candidates' work
  - Undermining the integrity of examinations/assessments

### **For example, things not to do on social media:**

- Buy/ask for/share exam content
- Pass on rumours of what's in exams
- Share your work
- Work with others so that your coursework is not your own independent work

### **And non-examination assessments and coursework:**

Where computer-generated content has been used (such as an AI Chatbot), your reference must show the name of the AI bot used and should show the date the content was generated. For example: ChatGPT 3.5 (<https://openai.com/blog/chatgpt/>), 25/01/2025. You should retain a copy of the computer-generated content for reference and authentication purposes.

### **Plagiarism**

Plagiarism involves taking someone else's words, thoughts, ideas or outputs and trying to pass them off as your own. It is a form of cheating which is taken very seriously.

More information can be found in the school's Exams Policy under 'Examinations Policies' on the Examinations section of the school's website.

## Personal data

- The awarding bodies collect information about exam candidates
- To understand what information is collected and how it is used, you must read the JCQ Information for Candidates – Privacy Notice. This can be found under 'Information for Candidates' on the Examinations section of the school's website.

- By submitting this work, a candidate is granting the awarding body a non-exclusive, royalty-free licence to use their assessment materials (referred to as Assessment Licence)
- If a candidate wishes to terminate the awarding body's rights for anything other than assessing his/her work, the awarding body must be notified by the centre and it is at the discretion of the awarding body whether or not to terminate such rights

## Coursework assessments/non-examination assessments

## What to do if you identify you have a timetable clash

- Timetable clashes are where a candidate is entered to take two or more exams at the same time, on the same day.
- If the clash takes place within the same session (AM/PM) and the combined time is three hours or less, the exams must take place consecutively with no more than a twenty minute break between them. Exam conditions will be maintained throughout.
- If the combined time is more than three hours, one exam can be moved to an earlier or later session. Candidates will be supervised between exams

## Overnight Supervision Arrangements Policy

- Where candidates are entered for multiple examinations (three or more examinations), timetabled for the same day and the total duration for those papers is more than **six hours for GCE and more than five and a half hours for GCSE - including approved extra time or supervised rest breaks**, candidates may be allowed to take an examination the following morning, including Saturdays.
- Where the need for overnight supervision is identified, the Exams Office/SLG will contact both student and parents to make clear the necessary arrangements and the consequences should they not be adhered to.

All clash candidates will be notified either electronically or by hardcopy prior to their examinations.

## Where you will take your exams

Rooming information will be on your final, personal exam timetables. Please do check Edulink for any changes, including on the day of exams.

- At OPGS, public/external exams start at 8.50am for the morning session and 1.50pm for the afternoon session.

## Supervision during your exams

- Exams are supervised by a team of external invigilators

Candidates must only bring the items required for that exam i.e. black pens, pencils, ruler and any subject-specific materials such as compasses, a calculator and protractor. Any pencil cases must be see-through.

### **Using calculators**

The instructions on the question paper will say whether calculators are allowed or not. If the instructions do not include such a statement, calculators should be treated as standard equipment and may be used. Where the use of a calculator is allowed, candidates are responsible for making sure that they meet the awarding bodies' regulations.

### **What you should not bring into the exam room**

- Candidates should not bring any unauthorised items into the exam room, in particular any notes, spare paper or any potentially web-enabled sources of information such as mobile phones, any kind of watch or AirPods. Long hair/hair that obscures ears must be tied back.
- If a candidate has access to unauthorised items in the exam room this may be considered malpractice. This could result in disqualification.

Still water, in a small, see-through and unlabelled bottle (no more than 500ml) is permitted.

Where a candidate is very late (more than an hour after the published starting time or at the end of an examination where its duration is under an hour) for an external exam, OPGS will permit them to sit the paper, but they will be warned the exam board may not offer a grade. The 'Very Late Arrival Form' will be completed and exam board will then be informed in accordance with JCQ regulations.

- Where candidate is absent from exams for illness, OPGS will require written confirmation i.e. from a doctor. Where special consideration is to be applied for, to support the application, documentation will be submitted to the Awarding Body as evidence.

## **What happens in the event of an emergency in the exam room**

The invigilator will instruct candidates to stop working, close exam scripts and remain seated until given further instructions. If evacuated, candidates will remain in silence and in isolated exam groups.

## **Candidates with access arrangements/reasonable adjustments**

- The SENCo (Special Education Needs Co-ordinator) will inform the student, Exams Officer and parents of the access arrangements provided and these will be accommodated when organising and conducting their examinations.

In accordance with JCQ guidelines, all certificates are held in school for a period of 12 months; after which time they will be securely destroyed. **Please note the cost of replacing lost certificates is approximately £50 per document;** this can be arranged by the candidate contacting the relevant awarding body.

## Internal appeals procedure

- Information on the centre's Internal Appeals procedure is available on school website under 'Examination Policies' in the Examinations section.
- Certain GCSE, GCE and other qualifications contain components of non-examination assessment (or units of coursework) which are internally assessed (marked) by Oakwood Park Grammar School and internally standardised. The marks awarded (the internal assessment decisions) which contribute to the final grade of the qualification are then submitted by a deadline set by the awarding body for external moderation. Prior to submission to the awarding body, candidates are informed of their marks / grades and given a minimum of 5 working days to appeal where necessary.
- Details of areas covered by the centre's internal appeals procedure, timescales and how to appeal are all covered in the Internal Appeals policy available on the school website.

## Complaints Procedure

The Complaints and Appeals procedure is available on school website under 'Examination Policies' in the Examinations section.
