Newsletter No. 5

Dear Parents and Carers,

Welcome to the last newsletter of what has been a packed Autumn term.

Well done to everyone who has received a Headteacher Commendation in this newsletter; it is very pleasing to see so many gain recognition for outstanding work this term.

The enrichment day last week was a packed day with a number of trips out (Year 9 at Canterbury Cathedral, Year 12 and 13 at RS conferences and the Design Museum). We also had Year 7 at Space Camp, carrying out rocket designs and visiting an interactive Solar System Experience.

Our Sixth Form Open Evening has taken place. It was a very busy event, and I am enormously grateful to the Sixth Form team for all their help, as well as all departments who prepared interesting and informative displays and of our Year 12 and Year 13 pupils who assisted as guides.

The Christmas show was an excellent affair with a lot of talented pupils showing their ability in music and drama. Well done to Mrs Judges and Ms Buckley for all their hard work. Year 7 were also able to view an excellent production of Dickens' A Christmas Carol which they are currently studying in English.

This week and next week a number of Year 13 pupils have online Oxbridge interviews and I wish them good luck in what is a demanding and challenging process. Year 13 are also in the midst of preparing for important PPE (mock) examinations. For Year 11 we also have a full parents evening on 13th December.

The final week of term is set to be as busy as this week has been. Our Sixth Form Prefect Team will be running charity events throughout next week with all funds raised going to Kent Air Ambulance and Spadework. These start on Monday 12th December with a cake sale and continue through the week. There will be a non-school uniform (Christmas jumper) day on Wednesday 14th December and the Prefect Team will also be running Christmas games for Year 7 pupils, details of which will be published to students next week. Students will need to bring into school a pound donation for non-school uniform day and a small amount of money for the cake sale. The Sixth Form Prefect Team have so far raised £1703.23 and your contributions will help them reach their target.

We are also looking forward to our end of term assemblies where we reflect on the school year to date and celebrate the excellence of our students whether that be in their academic studies, their contribution to the school community or excellence in extra-curricular activities.

A huge thank you to all of you who have made such generous donations to our food collection appeal and our Year 11 and Year 12 prefects for organising the collection so efficiently. Please keep the donations coming in next week; we will keep you updated on the number of items we will be donating to Maidstone Food Bank.

Well done to the Computing department who have hosted the UK BEBRAS challenge.

Can I take this opportunity to wish you and your families a pleasant and restful Christmas and a Happy New Year when it comes.

Yours sincerely,

K.W. Moody
Headteacher

Staff Leavers:

At the end of this term, a number of staff are leaving us, and I wanted to write a few words:

Mr Sarpong leaves the DT department after 4 years to take up a promotion. **Mr Rogers**, Network Manager also leaves us for a similar role in a school after just over 3 years with us. In his time here he has worked hard to upgrade and improve a number of our systems.

Finally we are saying farewell and thank you to two long serving members of staff:

Mrs Hellemans is retiring from the Maths department after 12 years of excellent service. Over the years she has taught and supported many of our pupils to achieve outstanding results at both GCSE and A level. We wish her and her family every happiness for the future.

Mrs Williamson will be leaving the school after 30 years of outstanding service to the school. She has been P.A. to two headteachers, Mr Newbold and now myself. I am going to miss her enormously. She is a very kind and considerate person, always calm when dealing with any pressure and has a wealth of experience. I know that the staff of the school will miss her enormously too. I wish her and her family every happiness for the future.
