Students at OPGS are celebrating an excellent set of GCSE results with 54% of grades at 7 to 9 and 31% at grade 8 and 9. Over 40% of students gained an average point score of at least a Grade 7, with Lucas C-J, Angus K, Henry S, Victory O, Oliver R, Angus W, Mattia D, all gaining at least eight Grade 9s. Congratulations also to our most talented Mathematicians who sat an additional FSMQ examination, with twenty gaining an A grade, the highest possible grade.

Headteacher Mrs Craig stated 'I am delighted to see the hard work of the young people in this school shining through in these outstanding results. I am so proud of their achievements and would like to thank them and the teachers of OPGS for their hard work and commitment. We look forward to seeing them start their Sixth Form journey with us in September.'
