

Design and Technology Summer Work 2022

Welcome to Design and Technology. I am looking forward to welcoming you to the department in September 2022. To give you a head start and introduction to the subject, I have created a range of tasks for you to complete. Please complete these electronically as either a PowerPoint presentation or Word document.

We will review these and go over your work in September. In the meantime, if you have any questions, please email me speacock@opgs.org.

Good luck and keep safe.

Kind regards

Mr S Peacock
Head of Design and Technology

Task	Expected Outcome	Work set (Completed by 1 st September 2022)
<p>Task 1 Studying the work of past designers.</p>	<p>Create a PowerPoint containing research information and images on the different design eras and Product Designers.</p>	<p>Studying the work of past designers.</p> <p>This work should be completed as a PowerPoint presentation.</p> <p>You should spend approximately 4 hours on this task.</p> <p>I expect one detailed slide per design era. You must complete the work for the following design eras:</p> <ul style="list-style-type: none"> • Arts and craft movement • Art Deco • Modernism, eg Bauhaus • Post modernism, eg Memphis. <p>Each slide should contain the following information:</p> <ul style="list-style-type: none"> • Example products manufactured in design era. • Common materials used. • Common manufacturing methods. • Style, shape and colour features common in design era. • What influences were there at the time which impacted on the design. • Your own opinion on what you like and don't like about design era. <p>Create a page of work on each of the following designers with example of their work:</p> <ul style="list-style-type: none"> • Phillipe Starck • James Dyson • Margaret Calvert • Dieter Rams • Charles and Ray Eames • Marianne Brandt. <p>Find images of their designs. What are the key design features of the products they create? What do you like / dislike about them. How have they influenced the design of current products?</p>
