

13<sup>th</sup> October 2022

Dear Parents/Carers,

### **Year 5 Climate Change Sessions**

I am writing to inform you about an exciting event at Oakwood Park Grammar School for Year 5 students.

Primary students will have the opportunity to experience an array of experiences centred around the topic of Climate Change. Sessions will be delivered by Science, English, Geography and Media Studies with a range of exciting activities for students to take part in.

Students will be working in a carousel of 20-minute sessions per subject, experiencing the breadth and depth of all we offer at Oakwood Park Grammar School.

The event will take place on Thursday 3<sup>rd</sup> of November from 4.00pm – 5.30pm.

We kindly request that if your son is interested in visiting and experiencing this event that you fill in this form: <https://forms.office.com/r/MuwXmXjVE6>

Your son(s) will need to bring a pencil case with them, but the rest of the resources will be provided by the school. Parents are welcome to stay but you will be seated in a room adjacent to the hall. Otherwise, please ensure a parent/carer is available to pick up your son at 5.30pm. Students will be required to sign in and out of the building and a member of staff will be at reception to sign you in and direct you to the event.

We will work on a first come, first served basis but any surplus numbers will be prioritised for our next event in January.

If you have any questions regarding this information, please do not hesitate to contact Miss Hance, Primary Links Coordinator, [chance@opgs.org](mailto:chance@opgs.org).

We look forward to welcoming you to Oakwood Park Grammar School.

Yours faithfully,

*C Hance*

Miss Hance  
Primary Links Leader
