

## Accessing Moodle

1. To access Moodle, go to the school website ([www.opgs.org](http://www.opgs.org)).
2. Navigate through the “Students” menu to “Moodle” and click on this.

3. This will open another webpage and prompt you to put in your school email address and password.
4. Once you have entered your credentials this will open the Moodle page and display all courses that you have been enrolled into.
5. Your teacher will give you the enrolment keys if there are any courses you will to enrol yourself on to.
