

## OAKWOOD PARK GRAMMAR SCHOOL COVID 19 – Risk Assessment for returning to school

Date: 10<sup>th</sup> August, 2020

Approved by Governors: 26<sup>th</sup> August, 2020

The risk factors identified below are in relation to members of the school community contracting COVID 19 virus within the school environment.

All actions are designed to mitigate the risk of contraction.

In the absence of scientific certainty, all risks have to be treated as having high status, based on the fact that the contraction of COVID 19 in the worst-case scenario, could result in loss of life.

All NHS and GOV.UK guidance is to be followed at all times regarding isolation, distancing and hygiene

<b>Factors to consider with regard to potential contamination risks to students and staff</b>	<b>Specific hazards/risks</b>	<b>Who is at risk of harm?</b>	<b>Actions to minimise risk</b>
1. Adults on the premises	Adults bringing virus into school	All staff and students	-No parents permitted to enter school building, beyond the reception area, unless an appointment has been made  -No visitors to enter school, other than contractors to undertake essential works  -Contractors will be supervised by members of the Site Team, whilst observing social distancing

			<p>-All staff should respect social distancing rules with regards to their interaction with colleagues – 2m to be maintained between adults, as far as possible</p> <p>-Teachers should stay at the front of the class, and minimise time spent within 1 metre of anyone</p>
2.Student attendance	Students or their families who have potentially contracted COVID 19 spreading the virus in school	Students All staff	<p>-Parents should not send their child to school if their child is unwell; their child or a member of the family is isolating due to a positive COVID 19 test; their child or a member of the family is isolating on the advice of Track and Trace'; their child or a member of the family is awaiting the result of a COVID 19 test.</p> <p>-If their child or a member of their family is isolating, due to any of the above, parents should inform the school when reporting his/her absence.</p> <p>-Parents of any students displaying COVID 19 symptoms should arrange for them to be tested and school contacted to inform the result</p> <p>-If any parent is unsure about sending their child to school, they should seek clarification with the DOS</p>
3. School clothing	Contaminated clothing taken back into the home	All staff Students	<p>-Students must wear school uniform; this should be washed regularly</p> <p>- Teachers to dress professionally, in clothes that can be easily washed after a day in school</p>

			<p>-If students or staff wish to wear face covering in school, they may do so.</p> <p>- Current guidance states that face coverings should not be worn in classroom</p> <p>-Students are permitted to wear a face covering in lessons if:</p> <ul style="list-style-type: none"><li>○ They have an underlying health condition</li><li>○ A member of their family has an underlying health condition</li><li>○ They a member of the BAME community</li></ul> <p>- We recommend that students and staff wear face coverings in communal settings and for movement in corridors</p> <p>-If students wear a face covering, they must not take it on and off in lessons and must not touch the front of the covering</p> <p>-If students or staff wear a face covering to school, and wish to wear one in the school building, they must replace it with a fresh one on entry to the school</p> <p>-Process for removing face coverings when students or staff, who use them, arrive in school:</p> <ul style="list-style-type: none"><li>- instruct not to touch front of their face covering during use or when removing it</li><li>- wash hands immediately on arrival</li><li>- dispose of temporary face coverings in a plastic bag to take home with them</li><li>- wash hands again before going to a classroom</li></ul>
